ABOUT

Begin Your Child's Journey Towards Excellence

Great Indian Online School is committed to making quality education accessible, flexible, and engaging for students, regardless of their location. We aim to create a supportive digital learning environment where students can develop academic knowledge, independent thinking, creativity, and essential life skills.

Through structured online learning, experienced educators, interactive classes, recorded lessons, and personalized academic guidance, we strive to provide students with a meaningful learning experience that supports their individual needs and future aspirations.

Why Choose Great Indian Online School?

We provide a complete, flexible, and future-focused learning experience that helps every student grow academically, personally, and globally.

01

Complete Schooling Experience

More than online classes – structured curriculum, academic planning, and progression tracking from Kindergarten to Grade 12.

02

Personalized Attention

Small class sizes allow teachers to focus on individual student development and provide continuous academic and emotional support.

03

Live & Recorded Learning

Attend live interactive sessions and revisit lessons anytime through recorded classes, giving students the flexibility to learn at their own pace.

04

Global Accessibility

Learn from anywhere while staying connected to the Indian education system, with a safe, secure, and reliable online learning platform.

The Key to Effective Learning

We focus on creating engaging virtual classrooms where students actively participate, ask questions, collaborate, and develop critical thinking skills. By balancing academic excellence with creativity, communication, and life skills, we ensure that every learner receives a well-rounded education that prepares them for future success.

Our Vision

To become a leading global platform for online education, delivering high-quality, flexible, and inclusive learning experiences that nurture confident, responsible, and future-ready individuals from Kindergarten to Grade 12.

Our Mission

To make education accessible, engaging, and meaningful for every learner by combining academic excellence, innovative digital learning, personalized guidance, and holistic development that prepares students for higher education, careers, and global opportunities.

Our Academic Programmes

From early learning to higher secondary, we offer a comprehensive and well-structured curriculum aligned with national standards.

01 Kindergarten (Pre-primary)

Activity-based learning with phonics, storytelling, rhymes, creativity and foundational skill development.

02 Primary School (Grades 1–5)

Interactive learning in English, Mathematics, EVS, and languages that builds confidence and conceptual understanding.

03 Middle School (Grades 6–8)

Strengthening analytical thinking, conceptual clarity, and independent learning habits.

04 Secondary School (Grades 9–10)

Focused academic preparation with regular assessments and personalized teacher support.

05 Senior Secondary (Grades 11–12)

Science, Commerce and Humanities streams with career-oriented guidance and future planning.
